Dear Sir,

I would like to thank your company for quality and responsible performance of the activities of Occupational Health and Safety Coordinator during the preparation and the realisation of the construction of Dormitory Housing in Frýdek Místek, from October 2008 to May 2009.

Your experts performed their tasks responsibly and I believe they contributed to the safety of the staff involved in the construction. At the same time, the proposed measures did not negatively affect the construction time schedule and costs.

I would fully recommend the cooperation with your company also to other investors.

Yours faithfully,

On behalf of amco (Asset Management Co., Ltd.)

Mr. Young Man Yoo / Project manager
