

Reference sheet

The company : **Ecological Consulting a.s.**
Service provided : Occupational Health and Safety Coordinator at the Project of Hill's Pet Nutrition Manufacturing Plant.

Investment value of the work: 125 – 150 Million EUR
Term of realisation: Q-II 2008 – Q-IV 2009

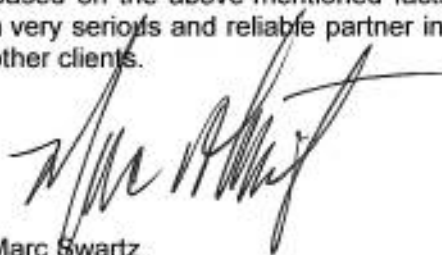

The Safety Coordinator, Pavel Liolias in person, employee of Ecological Consulting a.s., performed his activities within the agreed scope and with an appropriate expertise. He made maximum efforts to reduce the risk of injuries of the staff of supplier companies and the third persons.

The construction site achieved an excellent result of over 1 Million Hours without a Lost Time Accident.

At this construction, the Safety Coordinator represented very well the client during the negotiations with contractors and inspection authorities.

With Ecological Consulting a.s., we appreciate a reliable fulfilment of contractual conditions, its expertise, its observance of factual, time and financial agreements, its ability to operatively resolve any problems occurring during the construction as well as the helpfulness of its staff.

Based on the above-mentioned facts, we consider the company Ecological Consulting a.s. a very serious and reliable partner in the field of EOHS. We may recommend its services to other clients.
